

## Additional Items to be Recycled:

- Anti-freeze
- Appliances
- Electronics
- Lead Acid Batteries
- Scrap Metal
- Tires
- Used Oil
- Oil Filters
- Yard Waste

These items are banned from landfills and may be recycled at Winnebago County Solid Waste. Charges may apply.

## Waste Reduction Tips:

- Avoid disposable, single-use products
- Reuse paper & plastic bags
- Buy in bulk
- Avoid over-packaged products
- Borrow or rent items
- Buy or sell used clothing
- Donate clothing & household items
- If it's broken, first try to fix it

Consider using less. Waste reduction is key to a successful waste management system. Waste that is never created doesn't take up space in a landfill or have a cost to recycle.

## Help Recycled Materials Complete the Loop

Look for products and packaging made from recycled materials! The higher the % of post consumer content, the better.

*Printed on 30% PCW recycled paper.*

**Recycle items loose.  
No bags in cart.**

*Recycle plastic bags, film and wrap at  
grocery stores. Learn how at  
[PlasticFilmRecycling.org](http://PlasticFilmRecycling.org).*

**NEVER PUT MEDICAL SHARPS IN  
YOUR TRASH OR RECYCLING CART!**

### Guidelines for Sharps Users:

- Place used or discarded sharps in an acceptable sharps container.
- Take used sharps to a designated collection facility for proper disposal
- **DO NOT** place used sharps in coffee cans, plastic milk jugs, plastic bags, aluminum cans or soda bottles. These containers mistakenly end up in recycling collection trucks and burst open.

To find a sharps disposal  
location search *sharps*  
collection station at  
[www.dnr.wi.gov](http://www.dnr.wi.gov).
